### Introduction

Thanks for using TunePat HBOMax Video Downloader for Windows!

[TunePat HBOMax Video Downloader for Windows](#) is a professional video downloader that can download movies and shows from the HBO Max service, now, named Max, for all subscribers, including Max with Ads users. No need to install the Max app, TunePat HBOMax Video Downloader can directly find the videos from the Max web player through the name or URL of the target videos and download them on the computer. It supports downloading any Max video in MP4 or MKV format and preserving the original audio tracks and subtitles in many languages. Additionally, it comes with hardware acceleration support and a batch download feature that can make full episodes downloaded at a fast speed.

TunePat HBOMax Video Downloader for Windows is highly compatible with the computer running Windows 7 or higher version. With this powerful tool, users are able to save HD videos (up to 720p) on computers, and freely transfer the downloaded videos to any device.

### Key Features

- Download HD movies and TV shows from Max.
- Keep multilingual audio tracks and subtitles.
- Download Max video in MP4/MKV format.
- Download Max video at fast speed.
- No need to install the Max app.
- Free updates & technical support.

### System Requirements

- Windows 7, 8, 8.1, 10, 11 (32 bits or 64bits);
- 1GHz processor or above;
- 512 megabytes (MB) or higher of RAM;
- 1GB of available hard-disk space or higher;
- 1024\*768 resolution display or higher Monitor.

### Purchase & Registration
